

QUALITY A/C INSTALLER KITS

Four Seasons® A/C installer kits are assembled and shipped in one convenient package with everything you need to perform a successful A/C compressor replacement. Save time by not having to order each part separately or searching for an o-ring or service valve. These high quality, direct-fit components can be paired with either a new or remanufactured compressor to do the job right while reducing comebacks and satisfying the customer.

Four Seasons® A/C installer kits include all of the following necessary components:

- ◇ Accumulator or Receiver/Filter Drier
- ◇ Expansion Device
- ◇ Proper Oil
- ◇ All Necessary Sealing Components, Valves & Service Caps
- ◇ Tamper Evident Strap and Underhood Service Label

Benefits of Four Seasons® A/C installer kits:

- ◇ All components meet or exceed O.E. performance
- ◇ Application specific kits developed for maximum coverage with limited SKUs
- ◇ Save time by not having to order components
- ◇ Pair with a new or remanufactured compressor depending on your customer's needs
